In 2004 we asked for your help to secure a 99 year lease on the Shelsley Walsh Hill Climb by raising money purchasing the custody of a Yard of Tarmac.

With the lease now secure we need to restore the buildings around The Courtyard and The Farmyard. The funds raised so far have provided the MAC with The Stratstone Restaurant, the MAC Offices, Meeting Room and Archive.

If we can "sell" the remaining Yards of Tarmac this will give us a significant sum of money to go towards further restorations and improvements to the current facilities.

We now offer you the chance of purchasing the custody of a part of this famous site – a square yard of the tarmac for £125.00 (or multiples).

Each contributor will receive a certificate confirming the number of the relevant square. A map of the hill showing each square will be displayed at Shelsley together with a list of names.
