

# SPONSOR A PADDOCK SHED

AT THE FAMOUS SHELSLEY WALSH HILL CLIMB

In recent years the Midland Automobile Club has offered members, competitors and clubs the opportunity to sponsor the famous paddock sheds.

There are currently 53 sheds that are now available for sponsorship and can be dedicated to a loved one, a club, or in memory of.

All sheds will have a brass plaque with agreed wording between yourself and the MAC who will organise the engraving and mounting of the brass plaque.

If you are dedicating your plaque to someone and not sure of the details of their competition history, the MAC Archivist can assist you with further information.

The funds raised will go towards conservation and restoration of the Paddock Sheds.

To sponsor a Paddock Shed please return this slip and your cheque for £300.00 (excludes plaque) made payable to MAC to : Robin Webb, Shelsley Walsh Hill Climb, Worcester, WR6 6RP. Tel: 01886 812211 Ext 2
